PROFILE

Hello, my name is **Angel Andonov** and I am a Computer Science student. My passion for technology is my own way of expressing my creative perspective for the world. I tend to solve my problems with understanding, work and communication with people so we can achieve our collective goals.

EDUCATION

Yahya Kemal College   Strumica
Sept 2016 - Jun 2019

Science Degree, Yahya Kemal College   Skopje
Sept 2019 - Jun 2020

Faculty of Computer Science and Engineering   Skopje
Oct 2020 - Present

EXTRA - CURRICULAR ACTIVITIES

High School Charity
Sept 2016 - Jun 2019

Book Club
Sept 2016 - Jun 2017

Debate Club
Sept 2017 - Jun 2018

PROJECTS

An international project that I did in high school with a friend of mine. The theme of the project was "Orphan children" and the name of the short film was "Lied Progression". We wrote the plot and the script and worked with students from our high school drama club.

PERSONAL QUALITIES

Exercise instructor	Responsible
Dependable	Self-Reliable
Dedicated	Perfect time management
